END OF TERM NEWSLETTER

“CONSOLIDATING OUR GAINS”

As the school breaks off today for **End of Term II Cambridge** and **Term I UNEB**, the school is continuing with the **ALL IMPORTANT S.4 and S.6 Cambridge Candidates**, preparing them for their **FINAL EXAMINATIONS in MAY-JUNE 2008**.

Dear Parents and Guardians, I would like to thank you for the **good partnership** that has enabled **Vienna College to regain its feet** as a **credible affluent international school in Uganda**. Your **patience and faith** has been rewarded. Your children are achieving the **academic, social and spiritual goals**. The school's public image has **improved**, the **Staff morale is high** and the **Students confidence and motivation is commendable**.

The above **healthy position** has been as a result of a **well planned and executed effort** by the school's **Board of Governors and Directors**, the **New Management focus and direction**, the **well trained and motivated staff**, the **enthusiasm** of our dear students and most importantly your **contributions as Parents and Guardians**.

To consolidate these gains, please partner with the school in the following ways: -

- **Catch-up Lessons for New Entrants into School:** All students in **key classes** who joined the school late are staying behind up until **10th April 2008** when they will break off.
- **Reporting back for Next Term** is **27th/April/2008**. Any students who cannot make it on this day, the Parent should contact the school in advance for **NOTIFICATION of late arrival**. **No Student** shall be received during the **weekdays**. If you miss **27th/April**, please report again on **Sunday 4th/May/2008** with a memorandum of understanding to the school's **Board of Governors**, the **policy organ**.
- **End of term Report Cards:** Shall be ready for picking on **10th/April/2008** at the school. If you wish the **report cards** to be **e-mailed** or **posted**, please leave the correct address with the school Secretary.
- **Zero tolerance for any form of indiscipline:** The most common offence in our community is **possession and use of illicit drugs, possession of mobile phones** and other **distracting electronic gadgets like Ipods, Disc players** etc.

Dear Parents, the responsibility of safeguarding our children against these vices is **dual**. Parents play your part well. These children hide these vices from you and it is your responsibility to find out. As a school we have made a lot of effort to transform students from various backgrounds and experiences to fit into a school set up. My first phase was **'corrective'** and my second phase is **'reprimanding'**, which stage I hate to go to!! Its real now for the sake of protecting the innocent. Parents, have a say on which friend visit your child at home and check what they bring to school.

From now onwards **all visitors shall be checked at the gate** including their **vehicles**. Please accept this measure for the sake of protecting your child.

- **School Fees Payment:** I thank you Parents for settling all the school dues. Those with **out-standing balances**, make all efforts to settle them. If you are unable to report with a **fully paid bankslip**, please notify the school management in **advance** to avoid inconveniencing your child on the reporting day.
- **Vienna College Corporate T-shirts** as a weekend wear are now available for sale to Students at a cost of **25,000/=**.
- **Trips:** Charity Club visited **Noah's Ark orphans**, the donations and sympathy to cancer patients at **Mulago Cancer Institute** was commendable. **Patrick**, the Patron and Charity Club members, thank you.
The trip to **Western Uganda, Kabale and Rwanda Border** was successful. Thank you **Jonathan, Martha, Alex and Year 12 Cambridge Students** for safeguarding Vienna College values. **Brovad tours**, we thank you.
- **Prefects: East African Federation** dream is a reality at Vienna College: Who can dispute that Vienna college shall produce East African Leaders when you look at the New and incoming Prefects **2008-2009**.
